The Office is authorized to investigate the operation and valuation of utility companies independently of any pending proceedings.
- B. WMATA provides public transportation in the Washington, DC metro area and is the sole provider and operator of the public transit fringe benefit program.
- C. OPC currently utilizes WMATA's services for public transit fringe benefits. OPC shall continue utilizing WMATA's services to provide transit benefit services to eligible OPC employees for 2019 fiscal year.
- D. It is for the reasons outlined herein that it is recommended that a sole source contract be awarded to WMATA.
